

## **Meals on Wheels**

Dear Friend of Nourish Meals on Wheels,

Nourish Meals on Wheels invites you to participate in an engaging and fun-filled evening featuring a live auction, paddle raise, raffle and a chance to hear Food Network Star, Melissa d'Arabian share her experiences with hunger, isolation and her personal journey of discovering the unique connections that food can create between families, communities and health.

Sponsorships of our fundraising activities and donations from our community are a big part of our overall fundraising efforts. In other words, your support matters!

We are asking for you to join us as a partner of this event and help us to continue providing our necessary services. Your event sponsorship provides meals and much more for an aging or homebound neighbor. Our caring and dedicated crew are determined to make sure that no one has to feel alone and hungry in our neighborhood.

As our client Mary says, "I look forward to my daily meal and enjoy seeing the smiling face at my door more than you could know." You see, recently Mary lost her husband of 53 years, Dean, after he lost his short battle with brain cancer. Prior to his failing health, Mary relied on Dean for grocery shopping and preparing meals because his mobility was more solid than hers. And most importantly, Mary relied on Dean for companionship.

Many seniors and homebound individuals face the same issues as Mary every single day. That means that one of your neighbors could be going hungry right now. One of your neighbors could be making the difficult choice to pay for their medications and forego buying food. One of your neighbors could be suffering the ill effects of isolation and loneliness right now.

Hunger and isolation are daily realities for far too many. Let's walk together to ensure that hope, friendship and health are also a reality.

Our services and your support provide a loving solution so our neighbors can remain independent. Which means that together, we have the opportunity to create the perfect recipe.

Please sign up today to partner with us and join us for this exciting event.

With gratitude,

A handwritten signature in black ink that reads "Diane McClymonds".

**Diane McClymonds**  
Executive Director
