

Nourishing NEWS

For all of TLC Meals on Wheels' 50 years of serving the community, we have been blessed to have a subsidized facility in which to operate. Now, we are embracing a new challenge with a relocation. But this time, we have made our move to a new, permanent home.

New Location — 92 E Arapahoe Road in Littleton

Thanks to a generous sponsor, we are able to lease while we raise funds to purchase the former Las Delicias restaurant on South Broadway and Arapahoe Road in Littleton. After notification that Ames Elementary would no longer be available for our use, a dynamic team of building professionals and local government entities all pulled together, and in 122 days, finished all the renovations and permitting needed to relocate.

DECEMBER 26, 2019

We delivered 1,800 frozen meals to our clients to get them through the week we would be moving. Everything from Ames was moved to our new location, including kitchen appliances, while renovations were still being finalized.

DECEMBER 31, 2019

We still had three inspections to pass and we did! So at 2:30pm on New Year's Eve, we obtained our Certificate of Occupancy from the City of Littleton.

JANUARY 2, 2020

We prepared and served the first meal of 2020 in our new kitchen. On the menu ~ burritos, which seemed appropriate. And, as planned, those senior neighbors who rely on us did not miss a meal.

We are now officially located at 92 E Arapahoe Road in Littleton and back to normal operations. Transforming this former restaurant into a community center for nourishing our senior neighbors, is the most dynamic campaign in the history of our organization. But with your support, we're ready.

Special heart-felt thanks to Beaver Builders, the Mulhern Group, Ricca Design Studios, Power & Lighting Electric, the City of Littleton, South Metro Fire District and Tri-County Health and everyone else who helped make our impossible move possible.

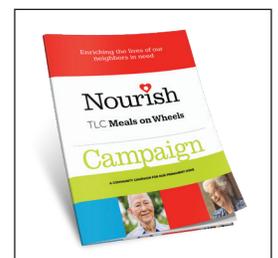

NEW NAME FOR TLC MEALS ON WHEELS

Along with our move, we are also moving to a new name — Nourish Meals on Wheels. Our new name and logo, much like our new home, will grow along with opportunities for enriched programming. Be assured that our passion to nourish the body, spirit, mind and community of our senior neighbors has been uplifted through your support, as we continue our mission.

Nourish — A Community Campaign for Our Permanent Home

The anticipated costs to purchase the building along with renovations, moving and updating our kitchen equipment is \$2,330,000. It's a campaign goal, that when achieved, will allow us independence and self-sufficiency — the very same vision we have for our senior neighbors. We have already raised nearly \$1,000,000, and are encouraged by the outpouring of support and funding from friends like you.

\$250,000 Matching Fund Grant Announced

An anonymous donor has offered Nourish Meals on Wheels a matching fund grant for gifts designated for the Community Campaign that are received between November 6, 2019 and February 29, 2020. We are pleased to announce that we have the goal in sight. You can join with us today and double your gift to the Community Campaign through this generous matching gift.

100% match of
gifts up to
\$250,000 prior to
February 29, 2020

Nourishing Neighbor Hearts

Our new home features Nourishing Neighbor Hearts for those donors who have provided gifts of \$1,000 or more to the Community Campaign. As a lasting expression of our thanks, we have created hearts featuring your special message, honorably displayed in our new Community Room. Community groups, neighbors, churches and businesses are encouraged to pull together and become Nourishing Neighbors and put your heart on our wall with a special gift.

NourishMealsOnWheels.com — Launching 2.20.2020

When you make a big move like we have, the need to freshen our website was not only necessary, it's a major tool in our new community presence and support of the seniors we serve. Please mark your calendar for 2.20.2020 – it's the launch date of our new website and the official public announcement of our new name.

Nourish Banquet with Melissa d'Arabian — Save the Date

Our Community Campaign also includes a public fundraising event on Saturday, April 25, 2020 featuring Melissa d'Arabian — Food Network Star, program host, and New York Times bestselling author. Invitations for this exciting event and online ticket and sponsorship opportunities will be available on our new website February 20, 2020.

Littleton Rotary Club “Wheels for Meals” — Saturday, July 11, 2020

Our annual Theatre Night will not be held this year as we have another amazing event instead. To help raise much-needed funds for our new location's Community Campaign, Littleton Rotary Club has generously planned an exciting benefit event being held at Vehicle Vault in Parker, with special guest Alan Mallory. Details will be available later this spring.
